Recommended Usage

- Use the primary logo for main brand presentation and formal client-facing materials.
- Use the secondary horizontal logo for website headers, email signatures, and compact horizontal spaces.
- Use the stacked logo for square/centered layouts, social posts, and presentation covers.
- Use the icon mark and favicon/app icon for profile images, watermarks, app icons, favicons, and stamps.
- Do not stretch, rotate, recolor, add effects, or place the logo on busy/low-contrast backgrounds.
